EXECUTIVE  
LEADERSHIP  
NETWORK

# Executive Leadership Network

XLN is an exclusive collective of Senior Executives; gathering together to tackle challenges, improve performance, and achieve their professional and personal goals. A global community of high level professionals; XLN gives you the support you need to transform your business and personal life and rocket to the next level!

# The Experience

Members of XLN engage monthly in highly impactful, small group meetings called Executive Forums. They also gain insight through educational and experiential elements including interactive workshops and immersive community events. Through cutting-edge programming and small, targeted gatherings, XLN provides a unique balance of personal and professional experiences that lead to transformative growth.

Executive Forum sessions are a powerful and intense experience. Ideas fly fast and experiences help you build connections that will last a lifetime. From operational to financial, legal to structural, and even personal, the XLN community is developed to provide you the confidentiality, wisdom, and support you need to thrive.

XLN provides resources to expand your reach, expose you to revolutionary business practices, and give you the guidance you need to avoid stagnation or discouragement, and tear down the personal and professional barriers to success.

# The Executive Forum Group that Transforms Your Life.

As part of XLN, you benefit from your own personal “Board of Advisors”, made up of peers from a diverse array of companies, industries, and professional backgrounds. In each Executive Forum, 8 – 16 Senior Executives meet monthly to tackle problems, share best practices, evaluate opportunities, and discuss operational issues.

No topic is too complex, difficult, or off limits for an XLN Forum. If you are open and honest, your fellow Forum members will be your committed support system, addressing the problems you face with the same urgency and resources they would apply to their own issues. Your Forum members will be the catalysts for significant professional and personal advancements; acting as both your trusted peer advisors and also your close friends.

Each Forum meeting is professionally guided by a world class Forum Facilitator. The Facilitator's role is to ensure that each member's unique potential is maximized. The Facilitator acts as leader and coach; deeply committed to the success of each member; helping to stimulate conversations, spark creative thinking, guide discussions, and ensure accountability.

## How You Benefit

XLN provides a powerful community through Executive Forum groups, speakers, events, and online connections. Here's what that looks like.

## Executive Forum Groups
