

CETRIX MEDIA KIT

CETRIX: MEDIA KIT FOR GOVERNMENT OFFICES:

Cetrix is proud to offer affordable, high quality Personal Protective Equipment (PPE) to clients in all industries. We understand how hard it's been to adapt to the challenges of the COVID-19 pandemic, but our wide selection of PPE has helped countless businesses, organizations, and government offices keep their teams safe and healthy.

Our PPE offerings include masks and face shields, sanitizers and wipes, thermometers, disinfection cabinets, and more. We continue to work daily to provide businesses, schools, government offices, and other entities with the PPE they need to continue serving our communities.

HOW WE SERVE OUR CLIENTS

We're happy and able to serve the needs of any client, big or small. We are consistently stocked with the most in-demand PPE and have the ability to provide bulk orders and repeated monthly requests.

We also pride ourselves on maintaining affordability through measures like tax waiving for tax-exempt organizations and competitor price matching. Finally, our customers appreciate that all of our products have received numerous safety certifications from bodies including the FDA, CDC, CE, ASTM, and ANSI.

HOW_{WE} SERVE GOVERNMENT CLIENTS

Government offices have unique needs that set them apart from schools or businesses. We know that it can seem hectic and overwhelming to keep your staff safe while continuing to do your job. We
