

SAFE REOPENING WITH SMART TECH HYGIENE

CLEANBOX

The Cleanbox family of products eliminate contagions from your shared and frequently used devices - keeping customers and employees safe. Using targeted UVC light, Cleanbox products eliminate 99.999%+ of viruses, bacteria and fungi.

A Higher Standard of Hygiene:

- ✔ Proprietary Engineering using UVC LED grids
- ✔ Shadow-free Coverage
- ✔ Independently Lab Validated
- ✔ Eliminates need for wipes or sprays
- ✔ Made in the USA

The CX Series

Headsets, Headphones and HMDs fully decontaminated in a one-minute cycle.

The CleanDefense

Extend your PPE:
Total Decontamination
for N95 and KN95
